SURVEY REPLIES

The results of the recent survey of parental opinions about Hollingworth were extremely positive. We have put the full list of parental replies onto our website under : **Parent Survey 2008**.

Of the eight most important categories such as: Leadership of Hollingworth, Management of Events; Pupil Progress; Quality of lessons and Teaching; Quality and Standards of Facilities; Management of Pupil Behaviour; Quality and Frequency of Homework and Quality of Care for Pupils , over 95% of parents agreed that Hollingworth is meeting their needs.

Naturally, we are very pleased, but not complacent, about the results of this survey. Thanks to everyone who contributed.
